

**Are you aware of
someone who might be
feeling isolated or lonely?**

We can help

Selsey Community Watch brings together professionals and volunteers to provide support, a daily phone call, activities and home visits, as well as befriending, for those in need.

You might be aware of someone who would benefit from being drawn more closely into the community.

**If so, then please tell us about them;
we can improve the quality of their life.**

All referrals will be treated in the strictest confidence.
